Deputy Director

 Washington 25, D. C.

Dear Sir:

We are pleased to forward a copy of the AFMA JOURNAL which is a compendium of the presentations given at our Eleventh National Conference in Detroit last fall.

From the keynote address given by the Honorable Robert H. Charles, Assistant Secretary of the Air Force, through the presentations of key management officials of Defense and industry we think you will find much of interest in this volume.

This year our Twelfth National Conference will take place in Washington, D. C. during the period 31 August - 2 September. Sponsored by our three active chapters in the Capital this meeting at the seat of government promises to exceed our successful conferences of previous years. The enclosed announcements set forth the theme and the subjects to be discussed by top authorities in these fields.

We hope that you and key members of your staff will be with us.

Sincerely yours,

T. B. Neblett
